

## **E i n l a d u n g**

### **zum Emil Fischer Kolloquium**

**Donnerstag, den 17. Januar 2017 um 17 Uhr c.t.**  
im Hörsaal Pharmazie, Schuhstr. 19, Erlangen

**Prof. Dr. Kjell Fuxe**

**Dr. Dasiel Borroto-Escuela**

Karolinska Institutet, Department of Neuroscience,  
Stockholm

**"On the existence of multiple A<sub>2A</sub>, D<sub>2R</sub> and Sigma<sub>1R</sub>  
allosteric receptor receptor interactions in Sigma<sub>1</sub>-D<sub>2R</sub>  
and A<sub>2A</sub>-D<sub>2R</sub>-Sigma<sub>1R</sub> heteroreceptor complexes: role  
in brain plasticity and cocaine"**

gez. Kristina Friedland
